How will you shape tomorrow's world?

Professional Appointments | Local Hospitality | Cultural Tours | Global Voices Schools

Professional Appointments

Do you work in the same field as one of our Visitors? Spend one hour of your time with an International Visitor sharing about your respective professional experiences and discussing opportunities, trends and challenges affecting your industry here and abroad. Please contact Katka Letzing for more information or to volunteer.

Local Hospitality

You can travel the world without leaving home by being a hospitality host: invite International Visitors into your home for dinner, take them out to a restaurant, organize a picnic for them with your friends, or bring them along to a sporting event. How? Become a Host and send us a completed form with your interests. Please contact Cortney Grekin for more information.

Cultural Tours

Share San Francisco with International Visitors by taking them around the city on an informal walking or driving tour. You can also join larger delegations on their bus as a city guide. Become a Host and send us a completed form with your interests. Please contact Cortney Grekin for more information.

Global Voices - School Visits

Are you an educator who would like to have one of these visitors or delegations come to your classroom? Become a part of our Global Voices Program which brings international leaders into the classroom to interact with students and teach the students about their respective country and position. Please contact Korin Hoffman for more information.
