AVERY DENNISON | Avery Dennison Foundation

The 2014 Avery Dennison Foundation Spirit of Invention (InvEnt) Scholarship Program

"The joy of winning the Scholarship is surpassed by the joy of realizing that my idea has been recognized by the Avery Dennison Foundation"

-Avery Dennison Scholarship Recipient

Application Deadline

May 15, 2014

The Avery Dennison Foundation Spirit of Invention (InvEnt) Scholarship Program is designed to recognize and reward invention, innovation and excellence in high-achieving students studying in the fields of science, engineering and technology at selected higher education institutions in India and China. The Program is developed to encourage students to continue in these fields after graduation by helping them meet their financial needs during the period of their college attendance. The scholarship is primarily merit-based. Selected students will receive US $1,300 scholarship to be used in their studies.

The Avery Dennison Foundation Spirit of Invention (InvEnt) Scholarship Program
