

Regional Advisory Boards

Each of IIE's four Regional Advisory Boards is made up of outstanding business, academic, and civic leaders from the regions they represent. They provide advice and support for IIE programs, arrange internships, provide hospitality for grantees on IIE administered programs, host international visitors and professional counterparts, and are active in fundraising for regional activities, including scholarships.

MIDWEST

Projects and Sponsors 1995

In fiscal 1995 (October 1, 1994-September 30, 1995) IIE provided a diverse range of services, singly and in combination, for the projects and sponsors listed below. These services included designing and administering university fellowship programs and short-term specialized training, grantee supervision, orientation and enrichment programs, English-language training, professional study tours, technical assistance and consultant services, policy and statistical research, publishing, conferences, seminars, educational testing, electronic and print information services, international purchasing services, and fiscal management.
