

Introduction to Gas Industry

Introduction to Gas Industry, Cont'd

Gas Industry Structure

- Hardware and Software (*Slide*)
- Physical Infrastructure (*Slide*)
- Institutional Structure, Options for Structure and Regulation of Gas Industry (*Slides*)

Introduction to Gas Industry, Cont'd

Definitions (*Slide*)

- Natural Gas
- Liquefied Petroleum Gas (LPG)
- Liquefied Natural Gas (LNG)
- Natural Gas Liquids (NGL)
- Gross Heating Value and Net Heating Value

Introduction to Gas Industry, Cont'd

Concept of Reserves (*Slides*)

- Proved Reserves
- Probable Reserves
- Possible Reserves

Introduction to Gas Industry, Cont'd

- Indigenous Production
- Import and Export
- Stock Changes
- Sectoral Consumption: Transformation (public electricity plants, CHP plants) Residential Commercial and Industrial
- Total Consumption and Final Consumption, end use

Introduction to Gas Industry, Cont'd

Geographical Coverage

- Organization for Economic Cooperation and Development (OECD)
 - 20 original Member Countries
 - 10 subsequent Members through accession
