About the Program
The Brazil Scientific Mobility Undergraduate Program in the U.S., launched in 2011, is administered by IIE and sponsored by the Government of Brazil. As of the fall 2012 semester, 1,954 Brazilian undergraduate scholarship students have been placed at 238 U.S. host institutions in 46 U.S. states. The program is part of the Brazilian government’s larger effort to grant 100,000 scholarships for the best students from Brazil to study abroad at the world’s best universities.
