THE STRENGTH OF IIE

Founded in 1919, IIE is among the world’s largest and most experienced international education and training organizations representing more than 8,000 professionals at more than 1,400 higher education institutions globally.

Global Reach: IIE has a network of 19 offices and affiliates around the world. These offices are crucial to administering many prestigious global programs.

For more than 95 years, IIE has pioneered applied research and policy analysis in the field of international student mobility. IIE also provides research and program evaluation services to domestic and international government organizations and foundations.

IIE SUMMIT ON GENERATION STUDY ABROAD

Held in Washington, DC October 1-2, 2015, the inaugural conference will be a landmark event in IIE’s five-year initiative to mobilize resources and commitments with the goal of doubling the number of U.S. students studying abroad by the end of the decade. The event will bring together leaders across all sectors of the study abroad community to facilitate the sharing of best practices and the development of new partnerships and ideas to develop and expand study abroad opportunities for all U.S. students.
