INSTITUTE OF
INTERNATIONAL
EDUCATION

IIE San Francisco

The Institute of International Education is an independent, non-profit organization, serving as a leading resource for students, professionals, and institutions worldwide. The Institute partners with governments, international development agencies, foundations, universities and corporations, leveraging its international networks to collaborate on sustainable solutions for long-term development. We believe that peace and prosperity in the 21st century depend on increasing the capacity of people to think and work on a global and intercultural basis. As technology opens borders, educational and professional exchanges open minds.

For over 50 years, IIE San Francisco has fostered connections between global citizens through training programs, scholarships, and professional exchanges. We invite you to engage with our community and learn more about these international opportunities.
