

BSMP Student Health Insurance Confirmation

Purpose: The purpose of this form is to ensure you are properly enrolled in a health insurance plan that meets or exceeds J-1 visa regulations (see below) and can receive appropriate medical care when needed. If your academic host institution is unable to provide you with a health insurance plan that meets these minimum requirements or no coverage at all, IIE will enroll you in its private health plan. This is a benefit of your Brazil Scientific Mobility Program (BSMP) scholarship.

J-1 Visa Health Insurance Coverage Requirements:

- Medical benefits of at least \$50,000 per accident or illness;
- Repatriation of remains in the amount of \$7,500;
- Expenses associated with medical evacuation of the exchange visitor to his or her home country in the amount of \$10,000
- A deductible not to exceed \$500 per accident or illness.

An insurance policy secured to fulfill the requirements of this section:

- May require a waiting period for pre-existing conditions which is reasonable as determined by current industry standards;
- May include provision for co-insurance under the terms of which the exchange visitor may be required to pay up to 25 percent of the covered benefits per accident or illness;
- Must be underwritten by an insurance corporation having an A.M. Best rating of "A-" or have; an Insurance Solvency International, Ltd. (ISI) rating of "A-" or above; a Weiss Research, Inc. rating of B+ or above.
