

Recognizing the 2019 Seal of Excellence Achievements

IIE's Generation Study Abroad is recognizing our 2019 Seal of Excellence recipients during International Education Week 2019! This year 28 U.S. higher education institution Commitment Partners achieved their #generationstudyabroad pledges to increase study abroad on their campuses. The Seal of Excellence not only recognizes the significance of achieving their pledge, but their contribution to the sharing the importance of study abroad with new audiences. Study abroad creates access, expands perspectives, and changes lives. Congratulations to all our Seal of Excellence recipients for their achievement!
