

Join Thousands of Institutions That Use the *TOEFL ITP*® Assessments to Help Your Students Achieve Future Success!

As a leading on-site English-proficiency testing program for more than five decades, the *TOEFL ITP*® Assessment Series is relied upon by more than 2,500 institutions in 50+ countries, helping university students to expand their possibilities and achieve future success.

The TOEFL ITP tests:

- **Empower the teacher and the institution**

The TOEFL ITP Assessment Series brings decades of global experience in English-language measurement to your program and your classroom — giving teachers the data they need to make confident decisions. It effectively measures proficiency for English-language program placement, progress monitoring and exit. This series provides two testing levels and flexible administrations which allows teachers to test when they need to test.

- **Help institutions improve teaching effectiveness with confidence**

Trusted global English-language testing brand backed by 50+ years of research and assessment development experience, TOEFL ITP scores measure a student's true ability to actually communicate in English, using critical language skills needed in the classroom.

- **Give students more opportunities**

The TOEFL ITP Assessment Series is accepted by short-term, non-degree and collaborative international programs and scholarship programs around the world, giving students more opportunities to prove themselves and expand their possibilities.

Organizations Across the Globe Use the TOEFL ITP Assessments to Ensure their Students are Equipped with the English-language Skills to Succeed Globally and Strengthen their Institution's Reputation.

Let your institution be a part of the TOEFL ITP Assessments global network today!
